Dear Youth Formation Division Coordinators of Calbayog,

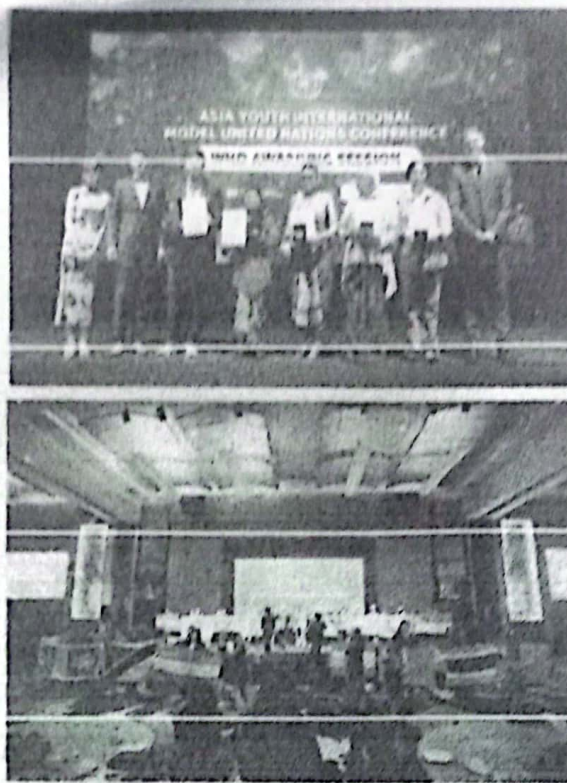

First of all, we would like to send our warm greetings on behalf of the International Global Network (IGN). I hope this letter finds you in good health and high spirits. In case you are not yet familiar with the International Global Network. It is an organisation engaged in youth development programs. Established with the aim of bringing together youth across the globe to cooperate with each other in business, culture and social movements.

Among the impactful programs organised by IGN are the **Asia Youth International Model United Nations (AYIMUN)** and **Asia World Model United Nations (AWMUN)**. These conferences serve as international platforms that gather students from diverse corners of the world to simulate the workings of the United Nations. The programs are designed to provide students with an invaluable opportunity to enhance their diplomatic skills, critical thinking abilities, and global awareness.

IGN's MUN 2024 will present its 5th MUN across the country. We have several committees that are already open which are UNICEF, UNESCO, INTERPOL, UNHCR, ASEAN Regional Forum, each with topics that are crucial today. At this peak of our program, we would like to invite the students of Calbayog City to attend our programs which will be hosted in several countries.
