Office of the Schools Division Superintendent

Dear Sir Cadayona:

*Maupay nga adlaw!*

I would like to seek your assistance in disseminating information to our school community regarding the free medical check-up services being offered by the Provincial Government of Samar for our teaching and non-teaching personnel, students, and their families through Ospital sa Barangay Program. As a committed advocate for the well-being of our personnel, I believe that this opportunity will greatly benefit the health and welfare of our school community.

The Provincial Government of Samar is providing a comprehensive set of medical services, including X-ray, laboratory tests, ultrasound, 12-lead ECG, doctor consultation, and provision of medicines. These services are invaluable, especially to those who may not have easy access to such healthcare facilities. To ensure that our personnel, students and their families can take advantage of this opportunity, I kindly request your support in sharing the following information with our community:

**Services Offered:**

- X-ray
- Laboratory Tests
- Ultrasound
- Doctor Consultation
- Provision of Free Medicines

**Requirements for Availing the Services:**

- Valid Government ID (for adults)
- PSA Birth Certificate/Live Birth/Baptismal Certificate with Guardian's Valid ID (for minors) and Consent/Waiver Form signed by Guardian

We can set up inside the school at your preferred schedule and time. Our team can accommodate 300 pax per day and we can stay as long as there are students and faculty members who are willing to avail.

The medical check-up services aim to promote preventive healthcare and early detection of health issues. By sharing this information, we hope to encourage the active participation of our employees and their family members in taking care of their health.

Attached thereto is the letter for the proposed schedule for schools in Calbayog City for your perusal and reference.

Thank you for your continuous support in ensuring the welfare of our personnel and their families. If you have any questions or require further information, please do not hesitate to contact me through Ospital sa Barangay First District Coordinator, Neil Mercader at 0992 527 7752.

Thank you very much.

Respectfully yours,
