Dear RD Fetalvero:

GREETINGS OF PEACE!

The **United Nations Association of the Philippines (UNAP)**, a 77-year-old socio-civic organization that aims to promote the ideals of the United Nations in the Philippines, and focuses its efforts on the furtherance of this year's theme of the Universal Declaration of Human Rights (UDHR), namely, "Dignity, Peace, Freedom and Justice for all," is delighted to share with you the launch of one of our flagship initiatives, which is dedicated to advancing the United Nations Sustainable Development Goals (SDGs) in our country.

To fulfill our commitment to this mandate, we are currently undertaking the **SDG Talks Caravan 2024** initiative. As part of this endeavor, we are taking the activity to various regions across the country, reaching out to a wider audience and promoting the SDGs.

The main goal of this initiative is to empower the Filipino community by educating them about the SDGs and mobilizing them as a collective force to drive their attainment in our country. By increasing awareness about the SDGs, we aim to inspire individuals and organizations to develop meaningful projects and actions that contribute to achieving these goals. This collaborative effort between the UNAP and various stakeholders is a testament to our commitment to fulfilling our mandate and promoting sustainable development in our society.

In this regard, would like to humbly ask if you would be willing to lend your support to our cause. We believe that your involvement would be invaluable in helping us achieve our goals, and we would be grateful if you could consider our proposal.

As a partner, we would appreciate it very much if you could help us by inviting the following under your region to join the **SDG Champions Online Conference 2025** rescheduled on January 15, 2025 @2:00PM via Zoom: **This is for FREE.**
